Shields, Amy 12:07 PM:

just a quick heads up. I was asked to do a briefing on the NCA4 and how it relates to R7 and Ag next week. I am using the slides off the NCA4 webpage but I thought that I would let you know that I will be briefing the RA on this based on a request from the DRA/RA office. Thanks again for your help today.

Miller, Andy 12:10 PM:

Great. Thursday I'm briefing the new ORD political on NCA4. Let me know if you need additional materials. What's on the USGCRP page is pretty good, but if you think something more EPA-specific (EPA contributions, etc.) would be helpful, let me know.

Shields, Amy 12:11 PM:

I saw the email today with the list of EPA authors (the A-E update email) so that was helpful. I will email you my slides once I finalize them so you know what was presented. The R7 RA is pretty great. I always appreciate his interest and questions.

Miller, Andy 12:12 PM:

Good to hear of the interest. I can go over the slides pretty quickly - glad to help.
